

XVIIIth Congress on Equine Medicine „Tagung über Pferdekrankheiten“ within the EQUITANA Sports World Fair, Essen, Germany, March 20th and 21st, 2009

As a tradition since 1975, the **XVIII. Congress on Equine Medicine**, well-known in Germany as the „**Tagung über Pferdekrankheiten**“ will be taking place again within the EQUITANA Fair, March 20th to 21st 2009.

It is one of the largest and most renowned congresses on equine medicine in Europe, drawing more than 700 participants from Germany and the German speaking countries (Netherlands, Austria, Belgium, Hungary, Switzerland, etc.).

This year the scientific program will include the following topics:

- Dentistry
- Colics
- Modern diagnostic imaging methods and technologies
- Due Diligence
- Orthopaedics

Date: March 20th and 21st 2009
